The main deck aft serves as the primary al fresco dining area with comfortable table seating available for ten guests. A settee, small table and two chairs provide additional seating options. A staircase on the port and starboard sides provide direct access to the recreation platform.

The sun deck is a spacious guest area for sunbathing or stargazing at night with another more casual alfresco dining option. On the bridge deck there is a jacuzzi and small seating area that serves as a private deck to the owner's cabin.

The dining salon offers spectacular panoramic views with a custom starburst mahogany table that easily extends to accommodate up to 12 guests. Above the dining salon, there is a club lounge, complete with large windows, a high-back settee and a bar, providing a place to relax and admire the view.

ACTA has accommodation for up to 10 guests across five cabins. The full-beam Owner's suite comes complete with a dedicated his and hers bathroom, a walk-in shower, dressing rooms and wardrobes along with private shaded aft deck that is home to a seating area and Jacuzzi. The remainder of guest accommodation is accessed through a stunning foyer on the lower deck opening into the four spacious cabins, consisting of two queens and two twins, all with large ensuites.
