ABOUT AKIKO

Meet M/Y AKIKO, an extraordinary 34-meter explorer yacht designed to navigate the world's most picturesque coral atolls. Renowned for her versatility, this award-winning vessel boasts expansive living areas adorned with full-height windows that offer breathtaking views of the surrounding beauty.

Crafted with meticulous attention to detail, her interior is a testament to luxury, providing vibrant and individual spaces for up to 10 guests. With sleek, robust exterior lines, M/Y AKIKO is not just a vessel but a statement of exploration.

Built by Alloy Yachts in 2007, she garnered five prestigious accolades at the 2008 World Superyacht Awards, a testament to her exceptional design and craftsmanship. Beyond luxury, AKIKO offers an unparalleled fishing experience, featuring a spacious cockpit equipped with fridge/freezers and live bait tanks. With a generous beam of 7.8 meters, she provides expansive space rarely found in a 35-meter superyacht, making her the epitome of elegance and adventure on the high seas.

EXTERIOR

AKIKO's exterior is a harmonious blend of functionality and sophistication, designed to enhance every moment of exploration. Atop the sun deck, a sprawling L-shaped sofa beckons guests to unwind in comfort, complemented by inviting armchairs for intimate conversations under the sun or stars.

The bridge deck seamlessly integrates tender storage, ensuring easy access to waterborne adventures while maximizing deck space for leisure. The foredeck offers another place for relaxation with a comfortable seating area.

Main deck provides large undercover entertaining area with barbecue and oversize swim platform for accessing the tender and watertoys. A long sofa gracefully lines the dining table, offering a picturesque setting for alfresco meals against the backdrop of breathtaking seascapes.

With meticulous attention to detail and thoughtful design, AKIKO's exterior invites guests to immerse themselves in the beauty of the journey, creating unforgettable memories at every turn.

INTERIOR

The impeccable interiors aboard AKIKO are the vision of Gregory Marshall, with recent refit work undertaken at McMullen and Wing. The décor is a sublime fusion of timbers, textures and ochre hues, along with large windows to capture the passing landscapes at every angle and LED lighting to set of her remarkable collection of art and sculptures collected from around the world.

AKIKO is a true floating art gallery, with collections from Melanesia, Australian Aboriginal artworks, and rich, vibrant fabrics and furnishings reflecting her New Zealand origins and South Pacific travels.

For her guests' enjoyment, AKIKO is equipped with Apple TV, Chromecast, Crestron system and iTunes movie bank (with hard drive capacity for approximately 500 movies) and Foxtel (Satellite Television). AKIKO is fitted with stabilizers for comfort in all conditions, is air-conditioned throughout and provides very fast internet via Starlink.
