ALALYA

CHARTER

TIMELESS ELEGANCE. ENDLESS FUN.

ALALYA is an Italian-built tri-deck superyacht, with ample living and entertaining spaces across four palatial levels. The lower level is dedicated to luxurious guest accommodation, comprising three king stateroom, one twin, and the multipurpose cabin with Pullman bunks. Stairs lead up to the main deck, with the luxurious master suite located forward, leading aft through the gorgeous main salon and dining space and outside to the main deck seating area. Rising to the upper deck, guests will find an alfresco entertaining area with dining table and lounge area, leading into the sky lounge, a luxurious yet homely space perfect for watching movies and playing cards. Finally, the yacht is crowned by the sundeck, a stunning space with a wet bar, stylish lounges and Jacuzzi – the perfect spot for passing long sunny days and unforgettable evenings under the stars.

Back down at water level, guests will revel in the drop-down sunbathing platforms, which also make it easy to jet off on the yacht's impressive array of watertoys- from the high speed jet tender to the jetskis and Seabobs. ALALYA's toy chest also provides for fun on land, with 2 electric bikes and 2 electric scooters for adventures ashore.

Charter guests will be enchanted by the yacht's elegant Cristiano Gatto-designed interior and magnificent entertaining spaces across all three decks, including a large sundeck with Jacuzzi with stunning 360 views of the sparkling Adriatic Sea. The dining experience on board ALALYA is unsurpassed, with a renowned Michelin-trained chef a key part of the yacht's 9-strong crew.
