Jetsurf Ultrasport

Aslec 4, a 48 metre vessel launched by Italian Rossi Navi in 2012. Meticulously maintained and recently refitted, Aslec 4 emphasises today's priorities of the yachting industry: environmental respect, being economical and efficient without being unnecessarily bulky. She is truly smooth and voluminous, that is one of her main assets. This sense of space instantly becomes apparent upon boarding, where an impressively sized, 70sq metre aft deck welcomes guests aboard.

Inside, a light and fresh interior, designed by Rémi Tessier Design. Aslec 4 accommodates 10 guests in 5 luxury suites, with the master suite, 2 double suites and two twins, the latter each with an extra Pullman. Upstairs, the sun deck perfectly completes Aslec 4's range of luxury amenities, including a gym, true to form with a large deck space and a Jacuzzi as the main ingredient.
