BEST MOUNTAIN LEOPARD 24

Crafted by the renowned chantier naval Leopard, Best Mountain boasts a sleek, GRP-built hull and superstructure that effortlessly slices through crystal-clear waters, cruising gracefully at speeds of up to 30 knots an exhilarating ride and a serene sanctuary for its esteemed guests.

OUTSIDE

The Leopard's plush sun pads in soft, inviting tones dominate both bow and aft, offering the perfect spots to soak up the Mediterranean sunshine. The expansive teak decks, framed by sleek stainless-steel railings, blend seamlessly with the sparkling blue sea.

CONVERTIBLE AFT DECK

This aft teak deck seamlessly blends form and function, offering a convertible layout that transitions effortlessly from a spacious sun pad into an elegant dining area.

UPPERDECK LIVING ROOM

The upper deck living room offers a breezy, open-air ambiance, seamlessly blending indoor comfort with panoramic ocean vistas.

Plush seating surrounds two dining tables, perfect for social gatherings while large windows and easy deck access create a light, uplifting atmosphere.

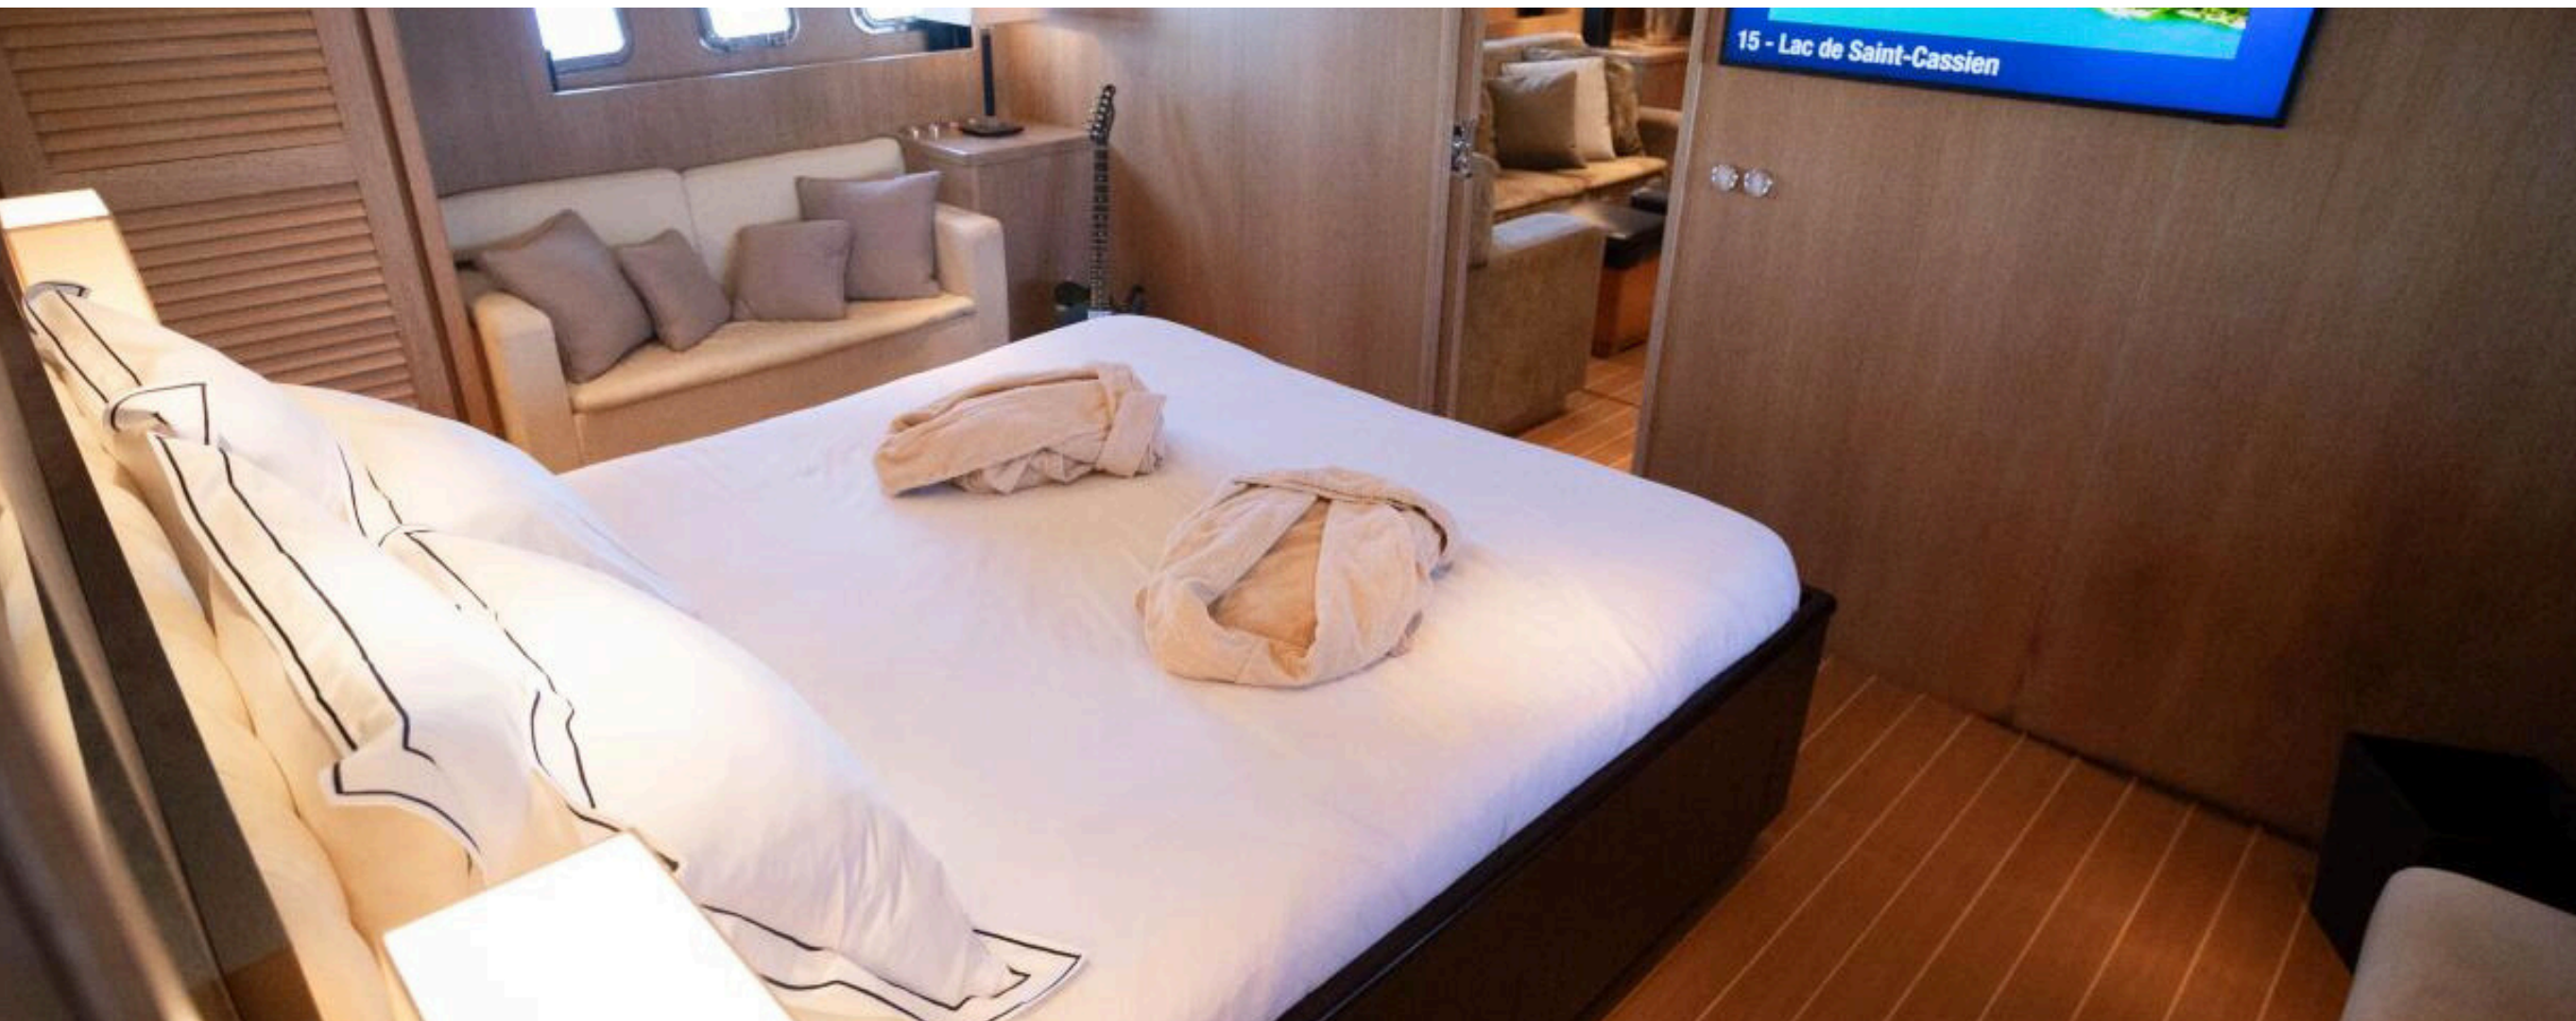

MAIN DECK LIVING ROOM

On the main deck, the living room exudes a cozier yet equally refined ambiance. Soft lighting, sumptuous furnishings, and broad windows set the stage for relaxed evenings or intimate meals, providing a more sheltered retreat without sacrificing the yacht's signature sense of spaciousness.

MASTER CABINE

The master suite embodies a serene blend of luxury and comfort. Warm wood paneling, plush bedding, and a cozy seating nook create an inviting retreat. Soft natural light highlights refined details, ensuring every moment spent here is both tranquil and indulgent.
