Custom interiors from London studio Winch Design capture all the comfort of a relaxed family home on the water.

BEACHY OCEAN VIBES

An earthy palette of materials that includes Jerusalem limestone, light-bleached matte oak, light-tone walnut and bronze creates a relaxed, beach-house-on-the-water style.

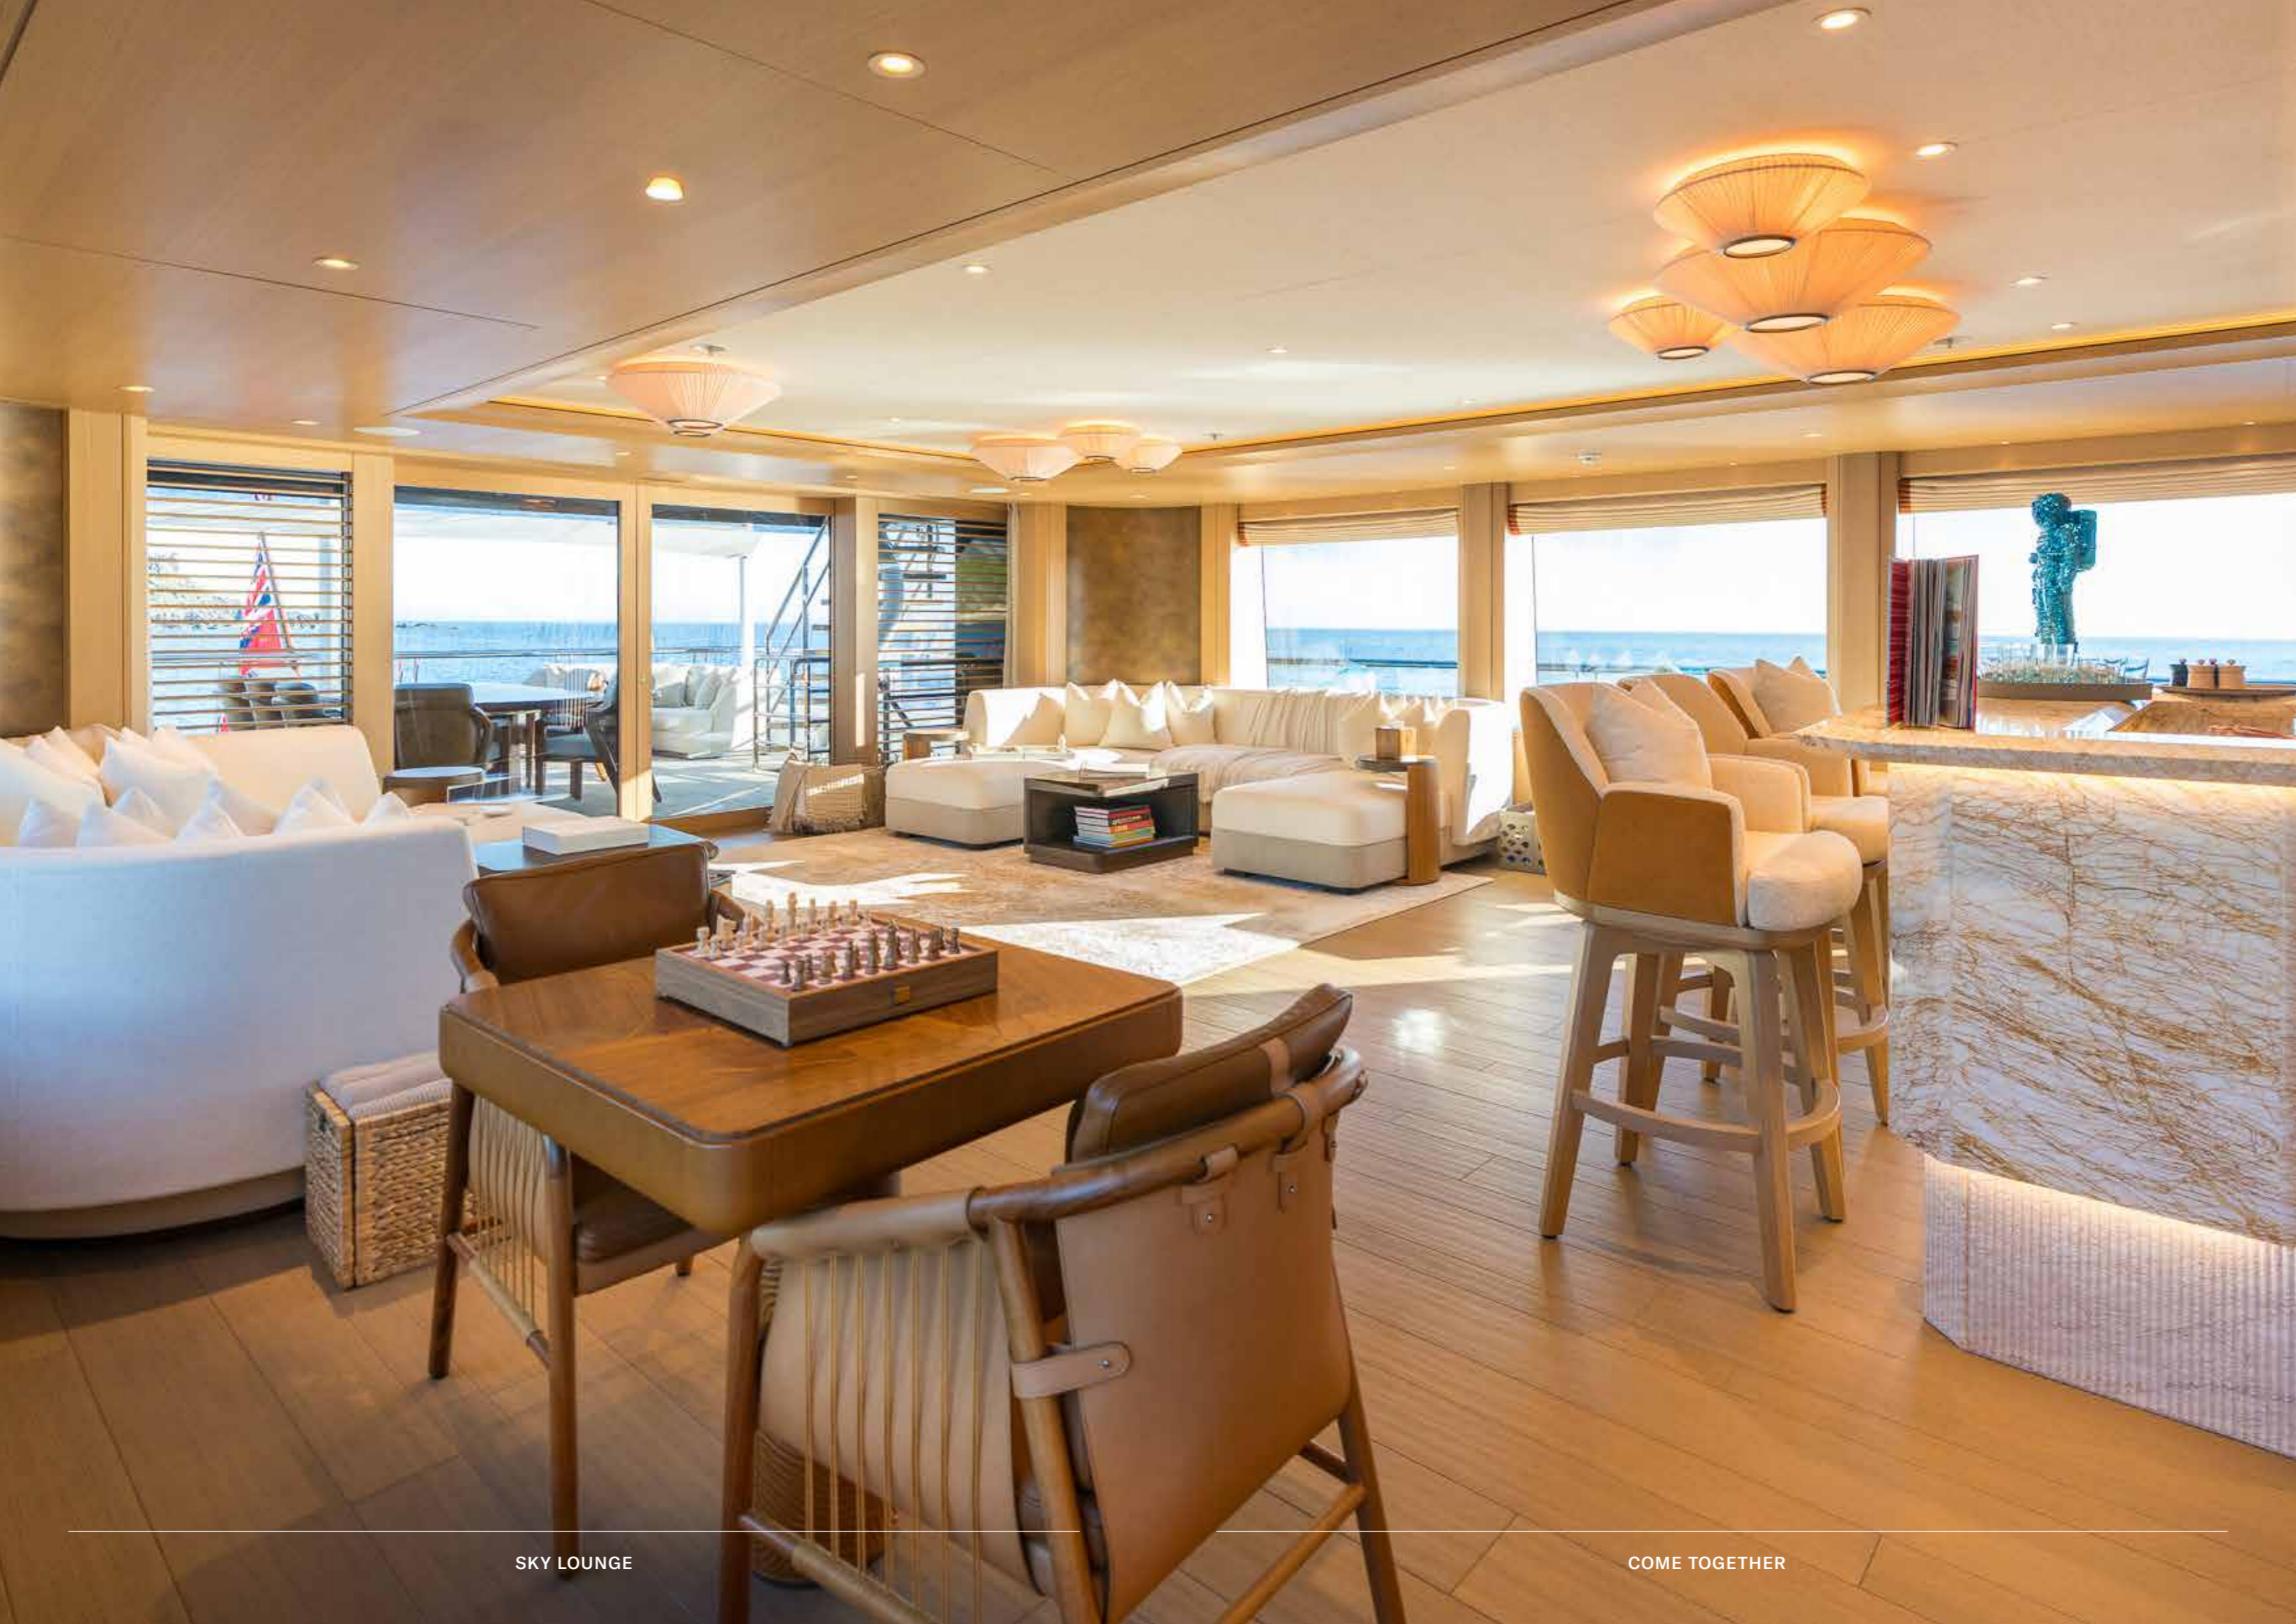

In keeping with the name of the yacht, convivial spaces – all flooded with light through the yacht's striking trapezoid windows and connected by a magnificent central staircase - provide the perfect backdrop for any social occasion, whether it's pre-dinner drinks in the sky lounge or a formal meal enjoyed at the main salon's round table.
