GO IS READY FOR NEW ADVENTURES AFTER AN AMAZING REFIT AT FEADSHIP

GO has been a much-favoured choice among people who appreciate Feadship design, technology and comfort. Having just been extended by four metres to 43-metre as part of an extensive refit by Feadship, she now offers an even more awesome charter experience. All three aft decks have been expanded to further enhance the al fresco lifestyle. *GO* also has a cool new tender and lots of extra toys. Her splendid interior has been given the Feadship refit treatment too, together with Sinot Exclusive Yacht Design.
