

**LADY EILEEN II**

This exceptional new custom motor yacht was delivered in Singapore from New Ocean Yachts of Taiwan in October 2007.

New Ocean Yachts Co., Ltd. is based in Kaohsiung, Taiwan in a fully purpose built shipyard on two separate sites. The yard has extensive backing and is headed up by qualified Naval architect Jason Kao who's experience stems from many years working with the industry leaders such as Horizon, KhaShing, Monte Fino and Hargraves to name a few.

Built to exacting quality standards (Construction to BV (Bureau Veritas) quality control) to an exceptional specification this yacht has set the standard others are already seeking to emulate.

The spacious layout and design of the yacht provides spacious accommodation and facilities often only available in much larger yachts. Exquisite interior design compliment the high quality engineering and build quality that makes this yacht truly desirable.

With the latest electronics and a state of the art entertainment system this yacht makes a memorable statement.
