

E-BROCHURE

Lady Victoria

LADY VICTORIA offers a superb base for those with a love of the outdoors and is equally well suited to family holidays.

Launched in 2015 and refitted in 2022, she comes with many exciting features you might not expect on a sub-50m yacht, including a private Master deck.

With exterior design by Dubois and interiors by RWD, LADY VICTORIA boasts both engineering efficiency and luxurious accommodation.

A soft colour palette and lots of natural light – particularly in the main salon – are complemented by bleached-oak cabinetry, creating an aura of quiet luxury that instantly makes charter guests feel at home.

She can accommodate 12 guests across six cabins, including a dedicated Master deck with en suite and a salon with sliding doors to a private terrace.

The rest of the guest accommodation comprises a VIP suite on the main deck with separate office and lobby, plus a double cabin, two twins, and a bunk cabin on the lower deck.

LADY VICTORIA also offers numerous on deck spaces, including a large alfresco dining area, plus a sofa and day beds aft on the main deck, while up on the rooftop-style sun deck there is a Jacuzzi and more seating.

The generous swim platform can be extended and raised for diving or submerged for guests wishing to step into the sea.
