WELCOME TO MY SPIRIT

MARTIN AND JOANNA DEBANKS, CAPTAIN AND CHEF TEAM

Martin and Joanna have been employed in the Yachting Industry globally for the past 25 years. Their early years saw them running high end diving and adventure charters in such far flung places as Africa and the Middle East. From there a move to Mexico and the Sea of Cortez saw charters for the rich and famous added to their resumes.

They eventually settled into a yacht with a global itinerary specialising in game fishing and diving. After over a decade and two circumnavigations they decided to make Cairns and the Great Barrier Reef their home bringing along their enviable skill set and experience to help provide charters of the highest calibre aboard MY Spirit.

Their love of the ocean is evident in all they do, being so passionate in all water sports enables them to easily cater for the most discerning and adventurous of guests, whilst still providing the luxury and service expected.

Cordon Bleu trained, Chef Joanna's love of cooking materialised early in life thanks to her mother's input, herself a lifelong chef. It was a natural progression to combine her love of food with her love of the sea.

Alongside Captain Martin, with their oceans of experience and handpicked well-qualified crew, you know you are in safe capable hands.
