The lower-deck features 2 VIP cabins and 2 Twins, where light is king once again. The Master cabin is situated on the main deck.

The stern comes with a dining area, which is able to seat 12 guests, while further forward you can find spaces to relax and rest in. The bow is linked to the flybridge, protected by two side windows and featuring a standard hard top with paired skylights - an exclusive area for admiring the wonders of the sea stretching out in all directions.
