Built by Palumbo and launched in August 2022, 24.30m MY MARTITA is an ideal yacht for hosting chic, intimate parties, complete with a DJ console system, powered speakers, and a Sonos Platinum sound system.

OVERVIEW

MY MARTITA welcomes up to 25 guests onboard in port and 12 guests whilst cruising. The beach club feeling onboard MY MARTITA celebrates every aspect of the fusion between a private beach club and a yacht, providing the finest moments and features that are hard to beat on any yacht of this size.

MY MARTITA accommodates eight guests in four spacious cabins on the lower deck, comprising of one full-beam master cabin, a VIP cabin, and two twin cabins as well as the accommodation to house an onboard crew of 3. The impressive full-beam master stateroom on the lower deck aft features a king-size bed, a walk-in wardrobe, a sofa, and a marble-clad ensuite bathroom, a smart Sony TV, and an iPad to control the lights, TV, and room temperature.

The full-beam sun pads (almost six metres wide) offer copious amounts of space for up to ten guests to sunbathe overlooking the extended swim platform. There is a full-length table to seat ten for a special al-fresco dining experience overlooking the ocean. While the private chef prepares a first-class cuisine in the open-style kitchen and bar, the guests can enjoy their favorite tunes spun from the DJ console.

The spacious sundeck features a wraparound sofa and a table, offering a third external space for leisure time. After a day at “Le Club 55”, guests can enjoy lounging in copious bed-sized sun pads, nibbling canapés and sumptuous appetisers while quaffing Champagne, fine wines and cocktails in a luxury bohemian setting with 360-degree ocean views.

INTERIOR

MY MARTITA features brand-new sleek contemporary interiors by Hot Lab Yacht & Design. The finest fabrics have been sourced for the interiors, sumptuous to touch, with a wide range of textures including warm woods. Fully air-conditioned throughout for maximum comfort. The luxurious interiors feature a neutral colour-palette of greys, beiges, ivory, and camels providing a light touch of understated elegance with orange accents providing a contemporary Italian aesthetic.

EXTERIOR

Italian naval architect ISA Yachts designed her with a distinguished grey painted hull and superstructure; she is part of the pioneering Extra Yachts Loft line featuring a revolutionising concept fully committed to reducing the environmental impact through exceptional fuel-efficient cruising and a solar panel system. Maximum comfort is provided thanks to the Gyro Seakeeper 22 Stabilizer.

Unlike most similarly sized superyachts, MY MARTITA features a shallow draft suited to remote anchorages, shoals, inlets and pocket coves where guests can enjoy the serenity of an under-the-radar oasis. Thanks to her compact size, she is incredibly easy to navigate in hard-to-access areas.
