## MiMi

60m Benetti, MiMi is one of the largest and arguably, finest yachts to be delivered from the renowned Italian yard. MiMi is an iconic, sought after yacht with an enviable charter reputation. Her exterior styling by Stefano Natucci is sleek and timeless, the lines communicating the very best of Italian design. The sun deck offers guests extensive leisure facilities including a Jacuzzi with swim up bar, an enclosed gym and expansive sun pad area. The Bridge deck features shaded outdoor dining for 12 and enclosed sky lounge. The main deck aft features another large seating area and ample space for yoga or entertaining. Watersports aplenty on the lower deck aft with hydraulic swim platform that folds down to create the ideal watersports platform and reveal the extensive watertoy inventory. An extensive refit in 2019 saw MiMi's interior have a full refresh by London design house RWD delivering a modern, calming and light interior inspired by the hues and tones of nature. All accommodations and living spaces are designed to invite as much natural light as possible with unobstructed sea views through picture windows. Six spacious staterooms offer accommodation for up to 12 charter guests.
