

E-BROCHURE

Moon Sand

The 55m MOON SAND is offered for charter and is an impeccable custom-built yacht ideal for family-and-friend charters.

Elegantly designed inside and out by Bannenberg and Rowell, MOON SAND benefits from both the iconic lines of her predecessor and the modern flair of her own design, which provides an abundance of volume.

Inside, MOON SAND is sumptuously decorated, with rich, tactile fabrics, cool module seating and bespoke one-off pieces of furniture by Silverlining and Polaro creating a contemporary yet cosy atmosphere, all bathed in natural light thanks to the huge windows.

She can accommodate 10 guests across five flexible double cabins, which can be combined to create double suites.

The main outdoor dining area can be found on the upper deck, while the sun deck offers a second chic outdoor space, which comes with generous daybeds aft, a sit-up bar midships, and shaded alfresco dining forward.

MOON SAND comes with numerous amenities, including a gym and a large swim platform – perfect for trying out some of the water toys – while her biggest standout feature is her aft deck pool, which can be raised and lowered as required, a great feature for young kids. The pool also features a counter current system.

SPECIFICATIONS
