

E-BROCHURE

Northern Escape

The 41m Benetti Oasis yacht NORTHERN ESCAPE is offered for charter, and with her minimalist interiors and flexible living spaces, this motor yacht is a clean canvas for creating your own bespoke luxury yacht holiday.

The main deck salon is a great place to enjoy unobstructed views of the sea and kick-back on the crisp white sofas. Forward of this lounge is a formal dining area with two large wine cellars; the whole space is bathed in natural light, thanks to floor-length windows.

NORTHERN ESCAPE can accommodate guests in a flexible cabin layout, including a main-deck full-beam master suite with an office area, dressing rooms and his and her bathrooms. On the main deck, there is also an additional room with two fold-down bunk beds, which can operate as a wellness room when not being used as an extra guest or children's cabin.

The rest of the accommodation is on the lower deck and includes two VIP cabins, and two twin convertibles with additional Pullman berths.

There is a fully private salon and terrace as well as an ample sunbathing space on the upper deck and her fantastic sun deck comes complete with Jacuzzi, sun pads, bar, grill and alfresco dining for 12 guests.

One of NORTHERN ESCAPE's best features is ultimately her outstanding beach club. The swim platform connects seamlessly to the main deck and its infinity pool, while two fold-down sea-level side platforms are added to create a truly outstanding beach club terrace.
