Some holidays take you somewhere beautiful. Purpose takes you places almost no one has been before.

Purpose is a 55-metre Trinity explorer, reborn in 2023 with a complete, multi-million-dollar refit. With a 5,000-nautical-mile range, she carries you far beyond the usual itineraries, to a reef unnamed by any chart or a lagoon that has never seen another yacht. Stay as long as the place deserves. A day, a week, or longer. The world can wait – and so can the port.

Her 2026/27 cruising schedule takes in Melanesia, the Great Barrier Reef area and New Zealand. She is committed to the region for the next three years and is not for sale, so this is a yacht for clients who want a one-of-a-kind adventure and an escape from the norm.

On Board
Six suites welcome up to twelve guests, including two full-beam master staterooms, all with interiors by Dee Robinson. With the largest volume in her class, there's room to gather and room to disappear: long, lively tables for the whole party, and quiet corners for a book and a view.

Mornings begin with yoga as the sea wakes up. Afternoons drift between the shaded decks, the skylounge and the Jacuzzi, drink in hand. When the sun goes down, the sundeck becomes an open-air cinema under the stars. Stabilisers keep everything perfectly still, at anchor and underway.

You'll barely feel the ocean. You'll simply see it.

The Water Is Your Playground
For those who'd rather be in the sea than looking at it, PURPOSE carries an arsenal of toys: e-foils, jet skis, Seabobs, kayaks, paddleboards, a full kite-surfing kit, a giant inflatable slide and a 20 x 50ft floating beach club that unfolds wherever you drop anchor.

Her 32-foot Intrepid chase tender races out to deep-sea fishing grounds and beaches you won't find on any map. E-bikes wait for adventures ashore. Below the surface, the Chief Officer, a certified Dive Master, leads guests across the reef. As an approved RYA Water Sports Centre, a charter on Purpose also means you can arrive a beginner and leave with a new skill.

A Crew With Real Experience
Thirteen crew. One standard: exceptional.
Our multinational, English-speaking crew pairs that standard with local expertise, crafting bespoke itineraries that highlight the best of each destination.

At the helm is Captain Jean-Marc, a former French Navy officer who has held his yacht captain's licence for more than 27 years. In the galley, Chef Mikee draws on over 18 years in private yachts, cruise liners and fine-dining kitchens. Every meal is shaped around you. Two trained massage therapists complete the picture, because a day of e-foiling deserves an evening of stillness.

The question isn't whether you'll go. It's where...

KEY FEATURES

1. Go further, stay longer. A 5,000-nautical-mile range reaches untouched reefs and lagoons, with no fixed itinerary: stay a day or a week and let the place set the pace.

2. A floating water-sports and dive centre. An approved RYA Water Sports Centre with a Dive Master Chief Officer, plus e-foils, jet skis, Seabobs, kite-surfing kit, a giant slide, a 20 x 50 ft beach club and a 32-foot Intrepid tender.

3. An exceptional crew of fourteen. Led by Captain Jean-Marc, a former French Navy officer with 27+ years at sea, and Chef Mikee, with 18+ years in private yachts and fine dining.

4. Her own private jet. A dedicated Gulfstream G650ER with a 7,500 nm range flies guests in from the USA. For the Galápagos charter, guests connect through Quito or Guayaquil, since private jets can't land on the islands.

5. Experiences, not just anchorages. Films under the stars on the sundeck, beach picnics, snorkelling over untouched reefs and e-bike rides to discover each island ashore.

6. Newly refitted, with room for everyone. A complete 2023 refit with interiors by Dee Robinson, and six suites for twelve guests, including two full-beam master staterooms.

BASIC INFORMATION

Name	**PURPOSE**
Year built	**2005 (refit 2023)**
Hull configuration	**Full displacement**
Interior designer	**Dee Robinson Interiors**
Naval architect	**Trinity Yachts (exterior design)**
