QUANTUM

CHARTER

SLEEK. SPORTY. ICONIC.

33m QUANTUM is a quantum leap forward for yachts in her class. With her sleek superyacht looks backed up by raw power and performance, this opulent Sunseeker sports yacht is where the party is at during the Adriatic summer. Packing plenty of features normally found on a much larger yacht, such as Jacuzzi, oversize aft deck with bar, and a state-of-the-art audio-visual system, this flagship Predator 108 confidently breaks all the rules.

QUANTUM's accommodation is also next-level, sleeping up to 9 guests in four lavish ensuite cabins, including a master suite with walk-in wardrobe and steam shower.

And did we mention the speed? With a blistering top speed of 33 knots, QUANTUM is built to take you places fast, meaning you can explore the Croatian islands to the maximum.

Yet it's not all about top speeds and party vibes; this yacht also offers blissful relaxation, family fun, and impeccable superyacht service, offered by a top-level crew of 4. Relax in the Jacuzzi, play on the watertoys, dine under the stars. Or party until dawn. Your charter yacht, your choice.
