

E-BROCHURE

# Red Dragon

Designed by Dubois Naval Architects and built by Alloy Yachts, Red Dragon embraces sailing tradition, while incorporating modern touches through her sleek exterior to create a truly timeless design.

With expanses of outdoor areas across the sun deck, main deck, and swimming platform, enjoy al fresco dining experiences onboard, complete relaxation in the sun and the thrill of water sports set within picturesque surroundings.

Wilmotte & Associates have created a calming and welcoming feel through her contemporary design, which is balanced with a harmonious blend of light wooden features, soft furnishings, and expanses of windows, seamlessly drawing the outside in.

She features an open plan living area and relaxed sofa setting along with an additional dining area and bar for entertainment in the evening.

RED DRAGON accommodates up to 12 guests across five cabins with a luxurious and spacious owner's suite. The rest of your guests are placed across three double cabins and one twin cabin, all with ensuites. The twin cabin features a Pullman bunk bed for kids or staff.

# SPECIFICATIONS
