

E-BROCHURE

Resilience

RESILIENCE is a brand-new yacht with innovative touches for charter guests looking for stylish spaces inside and out.

On the main deck, her generous salon benefits from a separate dining area that can be closed off with sliding glass doors for more privacy.

RESILIENCE can accommodate 12 guests across seven cabins, including a full-beam master suite on the main deck with fold-down terraces, his and her bathrooms and an office, which can convert to a single cabin, as required.

On the upper deck there's a showstopping VIP cabin, with its own private terrace, and the rest of the guest accommodation is made up of two double cabins and two convertibles on the lower deck.

The light-filled sky lounge has a casual nautical feel, decorated in a neutral palette of brown, cream and grey, with modern, minimal module furniture, a bar and a piano.

Onboard RESILIENCE, guests are very well catered for when it comes to outdoor living. There's a Jacuzzi on the sun deck and a folding projector and lounge for outdoor cinema nights.

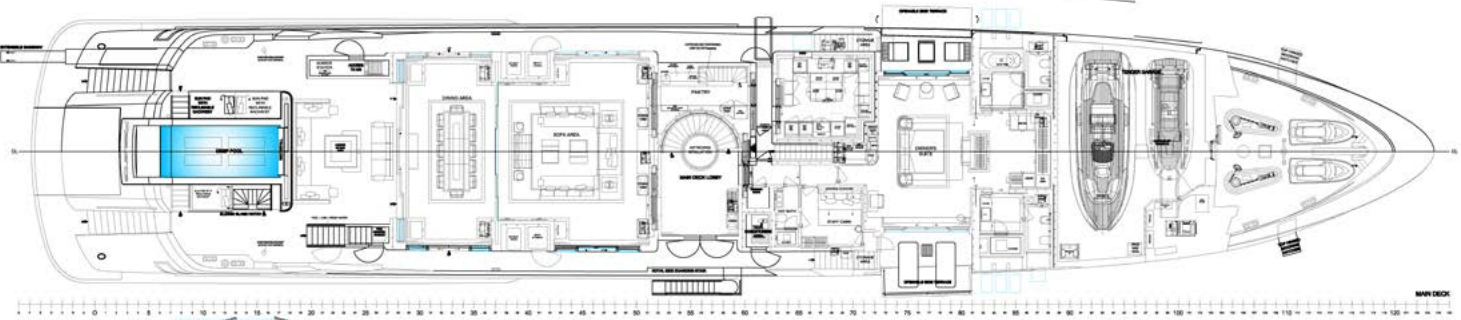

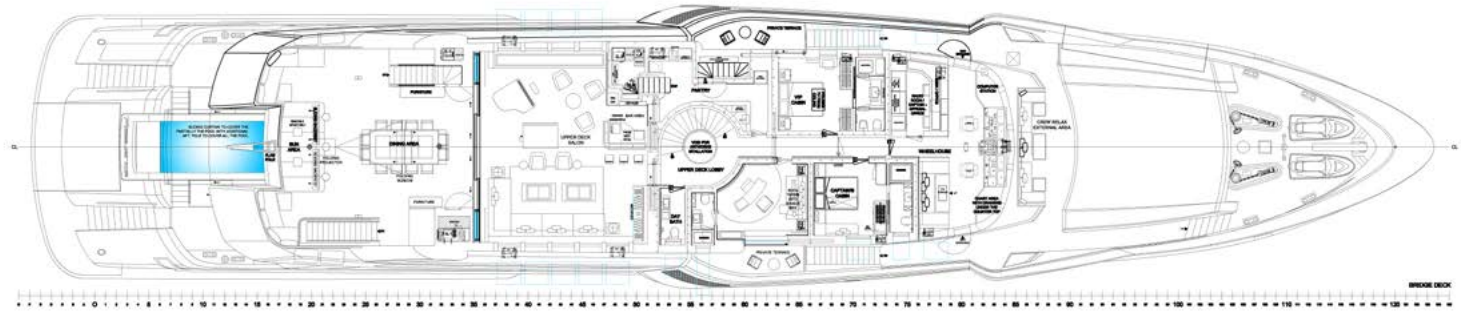

Additionally, on the lower deck, when the stern door folds down to sea level, the swim platform turns into a chic beach club with its own lounge and bar.

For wellbeing charters, there is also a gym, a Turkish bath, and a massage room.
