FUN, EYE-CATCHING, AND INVITING, THE AWARD-WINNING 203'5" (62M) CRN SUPERYACHT RIO DELIVERS AN UNFORGETTABLE CHARTER EXPERIENCE.

With sporty yet elegant exterior lines by Omega Architects and a striking axe bow, she stands out in every port. Designed for family-friendly fun, RIO's vibrant interiors feature bold colors, tropical motifs, and rich American walnut floors. Floor-to-ceiling windows throughout ensure an open, airy ambiance with spectacular ocean views.

RIO accommodates up to 12 guests in seven luxurious staterooms, including three primary suites—an upper-deck owner's cabin with access to the fore deck, a full-beam main-deck VIP, and a full-beam lower-deck VIP—all offering king-size beds and elegant ensuite baths. Additional accommodations include two double staterooms with queen beds, a twin with two single beds and a Pullman, and a bunk room ideal for security or a nanny.

The yacht's interior spaces blend comfort and sophistication. The main salon features an Azul Macaubas stone bar and plush seating, leading to a round dining table that expands to seat all guests. A cozy skylounge serves as the heart of the yacht, with a large sectional, games, and bookshelves that create a relaxed, family-friendly atmosphere. A newly added gym on the main deck (located in the entrance of the VIP cabin) allows guests to stay active while at sea.

Outdoor spaces are designed for both relaxation and entertainment. The beach club and swim platform provide easy water access and can be transformed into a wellness retreat with a massage table, steam shower, and hammam. The skylounge aft deck features alfresco dining for 12, a lounge area, and a service bar with rare Connemara marble. The sundeck is a guest favorite, complete with a deep Jacuzzi, sunbeds, a second Connemara marble bar, and ample space for lounging in privacy. One of RIO's standout features is her expansive foredeck, which spans nearly a third of her length and includes a recessed jacuzzi, sunloungers, and a plush seating area.

RIO is also an eco-conscious choice, holding IMO Tier III certification, which reduces harmful emissions by 70%. Her expert, five-star crew ensures every detail is flawlessly executed, making a charter aboard RIO the ultimate luxury escape for families and groups seeking adventure, relaxation, and impeccable service.
