Saluzi

WELCOME ON-BOARD

Built by the Australian shipyard Austal in 2003 as a small luxury cruise ship for Polynesia service, Saluzi was transformed into a megayacht. Boasting a brand new interior by Luiz de Basto, she now has large public spaces and extensive deck areas. Saluzi accommodates up to 32 guests in two master suites, seven VIP staterooms and seven twin cabins. All staterooms have full entertainment systems and en suite facilities. An extensive range of water toys includes a Castoldi tender, jet board, SeaBob underwater scooter, two Yamaha jet skis and the biggest water slide in the world.

The mission of the crew is to provide impeccable service, their philosophy is centered on excellence, delivering the highest standards of service to each Guest. The team on-board Saluzi is committed to providing Guests with a yachting vacation that consistently exceeds their expectations.

Saluzi is now available to charter in South East Asia and Indian Ocean through your preferred charter broker.

THE PAINTING BY LI JIWEI

The painting on the hull represents Saluzi and was made by Li Jiwei. Born in 1960 in Beijing, Li Jiwei is a graduate of traditional Chinese painting at the Central Academy of Fine Arts in Beijing. He spent some years teaching at the Department of Fine Arts at the Beijing Film Academy. In the 1990's Li Gained his Master's degree in abstract painting under the tutorage of Professor Prachensky at the Academy of Fine Arts in Vienna. He spent several years living in the United States and Canada before returning to study Multi-media at the University of Fine Arts in Berlin, graduating in 2001.

He has exhibited extensively and his installation ART WALK at the Beijing Olympic Swim Stadium as well as InForm, an installation draping the German Embassy in Beijing achieved critical acclaim. His work today is particularly concentrated on big art installations and projects on an international scale where he brings a sensibility of form and function to the spaces he occupies.
