# Croatia

15.2324° E

Croatia is one of the most popular yachting destinations with many beautiful regions, historic towns, islands, and small villages.

# Stability & Security

With a beam measuring 7 meters (22' 11") and a draft of 2.8 meters (9' 8"), Santa Clara stands out as one of the **most secure and stable vessels of its type.**

This stability is crucial, especially when there are children on board or anyone prone to seasickness.

# Comfort & Serenity

The standout feature of the cabins is their **superior sound insulation**. Regardless of the noise level in adjacent cabins or the upper deck, guests can enjoy a quiet and undisturbed night's rest.

Another amazing feature is the sound system. Music can be controlled from a phone and can be set for each part of the yacht separately.

# The Elite Crew

The hand-picked crew includes an award-winning young chef trained by master chefs in Michelin-star restaurants in France and the UK, and matured with years of experience as executive chef in several prestigious establishments. Expect an exquisite culinary journey during your yacht charter.

The rest of the crew members are equally experienced and highly motivated to make your time onboard truly memorable.

# The Exterior

The spacious sundeck, covered in teak floors, white padded lounging areas, and comfy sun chairs are the place to be.

The guests can enjoy the large jacuzzi while being tended by the friendly and professional crew. The surrounding seating areas and sunbeds are perfect for resting with a good book and soaking up the warm summer sun.

The dining table offers enough space for everybody to sit together and enjoy their meals under the stars.

# Water Sports

Fun and excitement are ensured onboard Santa Clara. The guests can choose between a jet ski, SeaBob, water skis, a Ringo ride, two paddleboards, and two kayaks. There is also a high-end tender, which can take the guests to and from land anytime they wish.
