Sereno

Sereno is fresh off a stunning transformation with a meticulous exterior restyling and an interior decor overhaul. Sereno now caters to the discerning tastes of her new owners and future charter guests, blending classic and contemporary elements.

The exterior of Sereno exudes refreshed elegance, seamlessly blending modern aesthetics with Benetti's signature design elements. Sleek lines and a sophisticated color palette enhance her profile, making a striking impression on the water. New amenities and features on deck ensure both comfort and functionality, creating an inviting space for relaxation and entertainment.
