Soundwave

Soundwave is an entertainer's dream with endless options for spending time outdoors across her impressive deck spaces. Her sun deck aft offers a resort style experience with an English spa-inspired pool, generous sunbathing areas sheltered by umbrellas and a fluted bar complete with seating and low-level tables. On her upper deck aft, there is an exceptional dining space for an al fresco experience, with a 14-seat table, accompanied by an outdoor bar, and on her main deck there is a beautiful teak deck and custom-fitted seating area sheltered by her awning.

Soundwave features an Art Deco-inspired interior, brought to life by Candy & Candy. Throughout she features geometric shapes, stepped forms and intricate line art which is accented by polished stainless-steel finishes, bespoke chandeliers, and flawless Italian marble. The Main Salon provides an impressive living and entertaining space, complete with a custom-made U-shape sofa with 10 generous seat cushions along with a 12-seater formal dining table. The sky lounge on the upper deck provides a relaxed area, with an informal sofa setting and custom-made cocktail bar.

Soundwave has accommodation for up to 12 guests across six cabins with a luxurious Master suite on the upper deck that includes an expansive 180-degree panoramic view over the bow of the boat, overlooking a private pool and fore deck area. Her second Master suite on the main deck is complete with spacious interiors and expanses of windows allowing natural light to flow into the space along with a study, powder room and walk-in dressing area. The remainder of guests are accommodated across two double cabins and two twin convertible cabins, all with ensuite.
