MYBA Broker Lunch 2026

“Thank you so much for extending the invitation to me. I had such a great time at lunch.

Also, I am not even joking when I say it was one of the most flavourful lunches I have had at the show. I think I ate everything and it was all so good. The tableware and presentation were beautiful, and the whole experience just felt so well thought out.

And the captain, I mean his personality is just the best. Overall, everything was incredible and I truly do not have a single complaint. I cannot wait to put your boat forward and will absolutely do so at every opportunity. I am really looking forward to working together on a booking”

MYBA Broker Lunch 2026

“I was very impressed with our luncheon on Sui Generis - food was impeccable and flavourful, presentation - very appetizing and creative, service - five stars with a smile. Was really a delight to get to know Capt. Jon - such a personality! - and meet the rest of her enthusiastic crew. No doubt with crew like this the first charter season is going to be a huge success. Yacht herself shows beautifully, and well, brand new. I would not hesitate to put her forward to any of my clients!”
