TWINS

FERRETTI

Launched in 2025, TWINS is a brand-new Ferretti Custom Line Navetta 30 and boasts the largest volume in her category, with an impressive 199 GT. Combining contemporary Italian design with outstanding functionality, she comfortably accommodates up to 11 guests in 5 elegant cabins: a spacious Master Suite on the main deck, 2 VIP cabins, and 2 Twin cabins - one convertible into a double, and one featuring a Pullman berth.

TWINS offers exceptional comfort thanks to her stabilisers, ensuring smooth cruising both at anchor and underway. Her advanced noise and vibration reduction systems further enhance the sense of peace and relaxation on board. One of her standout features is the expansive sundeck, complete with sun loungers - perfect for soaking in panoramic views in complete privacy and style.

Commanded by an experienced Italian captain with outstanding references, and supported by a professional crew of 5, TWINS delivers impeccable service and a warm, welcoming atmosphere that will keep guests coming back. With exceptionally low fuel consumption and a design that prioritizes both performance and luxury, TWINS is an ideal choice for discerning guests seeking a refined charter experience in Italy.
