Hop on board Canados 25 WHITEHAVEN and experience the feeling of being at home. The yacht's fine refinements, impeccable lay-out, yearly renovations and the careful attention to every detail are a guarantee of satisfaction.

Experienced captain Mario Caucci is at the head of a three-man staff. Thanks to his perfect knowledge of the Italian coastline the guests will have a chance to visit the most amazing escapes of the region and gather useful information to enjoy their cruise even on land. Deckhand Lorenzo is always ready to play water games with the guests and take them on his tender to the most beautiful spots.

The yacht boasts four wonderfully-furnished rooms: Master, VIP and two twin ones all with en-suite bathrooms. The three dining areas are located on the flybridge, in the living room for windy and chilly days, and in the cockpit at stern.

Thanks to its underway and at anchor stabilizers, WHITEHAVEN provides a pleasant underway experience even in more challenging sea conditions.

WHITEHAVEN looks forward to having you on board for a memorable cruise. Its services are as good as those offered on much bigger boats.

Technical Specifications

Lenght	25,00 mt
Beam	5,70 mt
Built	2001
Refit	2022
Engines	2 x 1300 HP MAN
